Happy Friday!

Home Learning Begins... We're looking ahead to school life from Monday and will be sending home the Home Learning Menus later today. Please look out for the email.

Drumming for Joy... On Monday we officially unveiled our incredible new drum kit. It has been very generously donated by Natal drums and Woody, who is the drummer out of the band Bastille! It is a kit he has used himself and the children were thrilled to see pictures of him gigging with it at a festival. This amazing donation was arranged by our very own Rich Cooper – governor extraordinaire! Thank you on behalf of all of the children who will enjoy and be inspired by this for years to come.

Mental Well-being Support... We have added a new page to our website which provides links to many different mental health services and websites for children and adults. If you, your child, or someone you know is struggling in any way with mental health and you aren't sure how to get help, [this page](#), in the safeguarding section of the website, may provide a useful first step.

Thank you... for your ongoing support, positivity and resilience this week in these unusual times. I am looking forward to seeing how our amazing, caring, creative school community evolves into our next chapter and continuing to work with you to help our children to thrive.

The Richmond Arms

The Richmond Arms is temporarily becoming an off licence in order to adapt to the new climate! We will be open daily from 5.30pm to 7pm. You can collect all your favourite drinks at a 10% discount. I have 2 litre growlers for take away draft beer. Many thanks to all the people who have already come for take out. Feel free to bring your own containers. If you are self isolating and would like a delivery please email me at richmondarmsinbath@gmail.com. We are not closed and look forward to welcoming you all back soon once everything returns to normal. Please see Facebook.com/RichmondArmsBath or Instagram.com/the.richmond.arms.bath for our drinks menu. Thanks Catherine.
